

Home Learning tips for Pupils

1.

Created by Vectors Point from Noun Project

Plan your day. Look at your timetable.

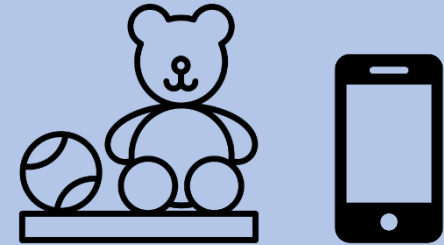

2.

Created by Vectors Point from Noun Project

Set up a space away from distractions if you can. Have everything ready.

3.

Created by Made by Made from Noun Project

Created by Alice Design from Noun Project

Put toys and phones in another space so they don't distract you, you can enjoy them in your break times.

4.

Created by fajar hasyim from Noun Project

Submit your learning to your portfolio as you do it. Respond to any feedback from your teacher.

5.

Created by Milky - Digital innovation from Noun Project

Ask when you need help. Message your teacher or ask at the live feedback session.

6.

Created by Adrien Coquet from Noun Project

Reward yourself with a break every time you finish a piece of learning. Make sure you get a drink.

Get fresh air and exercise everyday. Feel proud of what you have achieved! Don't worry, ask for help instead.
