

Dear Parents/Carers,

Welcome to our final newsletter of the academic year 21/22.

It's been quite the year with many ups and downs but I am thrilled that we are ending the year on such a high. As a community you have supported us brilliantly, maintaining such a strong sense of faith and belief and for that we are truly grateful and will endeavour to live up to your highest expectations.

It has been our absolute pleasure to teach and support; mold and grow; and laugh and play with your children. They are all such brilliant individuals and an asset to our school in their own quirky way.

Watching many of them perform in our talent show this week was an absolute joy and being able to share in their achievements both in and out of school is really lovely.

We will miss you for the next 6 weeks but we shall rest, recoup and come back for what I can only imagine will be an awesome 22/23.

Have a wonderful summer holidays, stay safe and come back smiling.

Mrs Katie Durant- Good (Headteacher)

Thank you!
♡ 😊

Thanks go to:

- ALL our children for being their best, brilliant and resilient selves;
- ALL our staff, who have worked tirelessly over the past year;
- Our wonderful Governors, who have supported us behind the scenes, fighting our corner and going above and beyond. We are all really thankful.
- Our priceless parents – to those who have quietly kept in our corner, to those who have shouted out, kept us on our toes and made sure we have kept giving our best and to those who have got stuck in and helped out in so many different ways. And for the gifts of course!!!
- Friends of School for all their efforts in getting our events back up and running, raising funds so our children can enjoy all the extras in school and the free ice poles that kept us all going.
- Mrs Middleton for gardening; sewing; judging; supporting and being simply wonderful.

To anyone I've missed. Thank you. We couldn't do it without you!

You'll no doubt see many comings and goings in school over the summer as we're getting some updates!

All classes are getting beautiful new flooring; the gazebo at the front of school has been condemned and we have decided the funds to replace parts or all of it would be better spent inside, and on the children, so it's coming down (early thanks to Mr Money and Mr Morrison for doing this); there's a new fence going up on the left as school and when we return the playground is getting some gorgeous new markings! It'll be great to have you back in so we can show it all off!

You may have also noticed the trim and tidy the front of school has had, which is all thanks to the hard work of Bradley's Dad, Pete. What a star!

Goodbye and Good Luck on the start of your next adventure to our fabulous Y6. We wish Amy, Alfie, Erryn, Hallie, Poppy and Willow all the very best. It was an emotional assembly and end to the day but we know you'll all fly high!

New School Uniform Supplier – online only!

You can now order all you need from -

<https://www.uniform-direct.com/acatalog/North-Scarle-Primary-School.html> in the future!

We STILL want YOU!!!!

We are looking for volunteers to support our school and help us drive improvements.

If you have a bit of time spare, or know a family member or friend, who might like to join us for some time in school, we'd love to know!

What we're looking for: I'd be really interested to hear from any parents/friends/family that have any **website expertise**. I'd really like to give ours an overhaul and if you can offer me some support/time please do get in touch.

Paint and Preen Party – we're looking for people who could come along to school out of hours and offer a bit of time giving the outdoor areas/resources some TLC. We will set a date in September for a bit of a gathering. Please let us know if you can help and we'll start co-ordinating it.

Governors – at this time we do not need any parent governors (ours are currently James Money (Chair), James Morrison and Amelia Foster) but we do need a new governor as one of our non-parents term ends with the end of this academic year. Do you know of anyone looking to give some of their time and expertise to a brilliant school like ours? We are specifically looking for anyone with potentially some background/knowledge of Safeguarding and/or Special Needs Education. Please spread the word and get in touch. Thank you!

Safeguarding Updates

Useful numbers: **Lincolnshire Children's Services Customer Service Centre – 01522 782111,**

Childline – 0800 1111, NSPCC Helpline 0808 800 5000 (help@nspcc.org.uk)

Online Safety

Please keep a close eye on online activity this summer and if you're not sure report it!!!

Music Lessons in School provided by The Lincolnshire Music Service:

I have spoken again to the LMS and as of September they will be offering Woodwind Instruments as an initial start-up for learning instruments. We will give you more details in September.

Our NEW School Vision

'Choosing to be Successful'

As an inclusive primary school, we work towards unlocking the potential of ALL our children, regardless of their starting points and perceived limits, so they can be happy and become the most successful version of themselves.

We aim to achieve this by providing a safe, nurturing and inspiring learning environment that supports our children both physically and emotionally.

Our successes are built on shared values and high expectations, provided by an aspirational and enriched curriculum and a supportive community.

"Success is not the key to happiness. Happiness is the key to success. If you love what you are doing, you will be successful." (Herman Cain)

Breakfast and After School Clubs

Plans for adapting these have taken a turn and I will need to review these alongside governors in our late September meeting.

Until then, they will run as usual, however we **MUST** insist that you use the online booking system and **DO NOT** just turn up with children on the day.

We have very limited staff and staff ratios are already stretched. With this in mind I am afraid that Little Learners are not permitted in either club. This is for everyone's safety. Thank you.

See you back in school on Tuesday 6th September!

Staff are in school on Monday 5th September should you need us for anything beforehand.

On our return we will be sharing our new curriculum newsletters, key diary dates for Term 1 (and some for Term 2).
